

## Let the fire

Let the fire that fell at Pentecost fall on me  
Let the fire that fell at Pentecost fall on me  
Let it cleanse me from inside going out  
Let your love overflow in me  
Let the fire that fell at Pentecost fall on me

They were gathered in the upper room in one accord  
Lord You came in your might and filled them with your power  
Lord the cry of my heart today  
Is for you to fill my cup  
Let the fire that fell at Pentecost  
Let it fall on me

Bridge  
Fall on me, fall on me  
Fall on me, fire fall on me
